Description: Design & Build Fit Out

Having just moved into our amazing new offices I wanted to write to you, and all your team at Vibe, to personally thank you for doing such a fantastic job.

The working space you have just created for us is a great reflection of our business and will be somewhere we are very proud to bring our visitors and staff. It also gives my management team and me the best office environment in the West Midlands if not the entire UK.

I have thoroughly enjoyed the experience of working with Vibe and would recommend you without hesitation, I am also happy for you to show your prospective clients around our new offices, as they are definitely a real showcase.

Finally thanks for looking after this project personally; it is the sort of attention to detail that makes all the difference.

With my best regards

Dwain McDonald
Chief Executive officer
